Report of Forest Fire Warden & District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result—escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 4:00 P.M.
 - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	Number of Fires	Woodland acres burned
State	593	349
District 10	80	113
Town Winchester	3	22½

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen and Voters of Winchester:

I herewith submit my report from January 1, 1968 through December 31, 1968.

The year 1968 was a very busy one for your Police Department. The delivery of the town cruiser on July 1st was a great aid to the department in taking care of this heavy work load. Although the accident rate wasn't quite as high as that of 1967, we had some very serious ones, three of which were fatal.

I would like to take this opportunity to thank the people of Winchester for their fine cooperation when the Winchester branch of The Cheshire National Bank was robbed on February 12, 1968. Through this excellent cooperation and the combined efforts of your local police, the Cheshire County Sheriff's Department, the State Police and the F.B.I., this case was solved. Many of these officers worked long hours investigating the robbery and tracing down those responsible.

Following is a summary of cases which have been investigated and arrests which have been made by the department during the year.

REPORT OF THE WINCHESTER PARK COMMISSION FOR THE YEAR 1968

TOWN BEACH COMMITTEE MEMBERS

Ronald Stephens, Chairman
Stanley Plifka
Howard Stephens

Kendall Baker
Bruce Norlund
David Fleming

Arnold Conway, Treasurer

REPORT FOR THE 1968 SEASON:

During the 1968 season the members of the park commission joined together to provide adequate and efficient life saving equipment for the town beach. With the recruitment of Miss Constance Jernberg as a town employed life guard we carried out a very safe program with the aid of the following list of safety equipment.

1. New life lines to the raft.
2. A new heavy duty raft.
3. A aluminum boat at the beach edge at all times.
4. A transisterized bull horn.
5. A P.A. system for warning bathers.
6. First aid kit.
7. Resuscitator to be used on a drowning person.
8. Throw ropes and buoys.

As the beach is not supervised at all hours we cannot eliminate all the danger points so bathers are asked to come at opening hours when the life guard is on duty.

This year the concession stand was renovated to include a game room. New toilets were installed in both rest rooms.

Most everyone was considerate and tried to keep the area clean with no damage being done to the beach property.

Six metal fire places have been purchased and will be installed at each picnic table in the spring. The parking lot was hot topped in places with plans to finish the full area later.

Plans are being drawn for the erection of a new cement block concession stand with shower rooms for both ladies and gentlemen. When this is completed the old stand will be eliminated and the parking lot expanded.

All receipts and expenditures of the concession stand were handled by the Park treasurer. All finances have been raised by members of the park commission with the exception of the life guard who is a town employee.

Board of Selectmen
Town of Winchester, New Hampshire

Gentlemen:

The report of our audit and examination of the accounts and records for the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1968 is to keep on file in your office and in the interest of economy, we ask you to print in the Town Report only our scope of audit and certification which follow:

SCOPE OF AUDIT

We have included in our audit and examination the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Town Beach Treasurer, Fire Department, Library Treasurer and Trustees of Trust Funds.

AUDIT PROCEDURE

The Audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank statements obtained from depository banks. Uncollected taxes were verified by mailing notices to delinquent taxpayers, as indicated by the Tax Collector's records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1968, and have found them to be in good order except as noted. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the town for the period under review. We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of the audit.

Yours very truly,

MARGARET M. NASH
GENEVIEVE G. GIROUARD
Auditors,
Town of Winchester, New Hampshire

DIRECTOR OF RECREATION REPORT

From January 1, 1968 to December 31, 1968

E.L.M. COMMUNITY CENTER

1. Senior Citizens meet once a week on Wednesday afternoons under the direction of Mrs. Ruth Coffin. A very ambitious ceramic program has made this club very successful. Bridge, parlor games and monthly birthday celebrations are very popular.

2. Also each Monday evening, Mrs. Coffin conducts an adult ceramics class which has met with great success. I would like to thank Mrs. Coffin for her tireless efforts on both the above mentioned projects.

3. Adult bowling leagues are held each evening Monday through Thursday.

4. Wednesday afternoons the Center provides bowling for Thayer High and Jr. High students at special rates. Also Saturday afternoons Winchester Elementary School students have a bowling league.

5. The Rumpus Room has been a big success. It is open each evening from 6:30 to 9:00 during the week and on weekends when supervision is available.

6. The multi-purpose tennis court-skating rink is flooded and in operation. It is well attended in both seasons by children as well as adults.

7. A new activity being sponsored this year is Mens Recreation Basketball, every Sunday afternoon.

8. This year the Community Center in conjunction with the Northfield School for Girls and volunteers from Thayer High is presenting a program each Saturday morning for Winchester-Ashuelet children in grades 2 through 5. The student "Leaders" present activities for the children in group games, arts & crafts, music and drama. I would like to thank Miss Mary Johnson, the girls from Northfield School and the girls from Thayer for their interest and enthusiasm in this worthwhile program.

9. School vacation programs are held at the Center as usual, free bowling, rumpus room, bowling tournaments, group games, and tumbling are enjoyed by all.

10. Teen dances are held at the Center for all teen-agers. Music is provided by live Bands and juke box.

11. Little League and the Pee Wee League Baseball are also under the sponsorship of the Community Center. Mr. Charles Kellom and Mr. Alex Bruder deserve a great deal of credit for their interest and leadership in this program.

12. Day Camp is operated under a new set-up this year. The children were separated by age into "Tribes" with a Chief or Counsellor for each tribe. Inter-tribal competition was held on all phases of playground activities. Points were awarded on individual as well as tribal basis. The children seem to enjoy this program and we are looking forward to an even greater turn out next summer. A great deal of credit must go to Mr. Tony Santos (Playground Supervisor), Mrs. Coffin (Ceramics) and to all of the counsellors, most of whom gave their time to make his session of Day Camp a great success. Many thanks to them and to the numerous Organizations and citizens for their support.

13. I wish to thank all of the Town Officials for their cooperation. In particular, Mr. Schnyer and his police force, the Selectmen for the use of the Town Hall, Mr. Hollis Thompson and the Fire Department for their work on the skating rink, and to Mr. Richard Stetson and his crew for their assistance at the Community Center. I would also like to thank Mr. Paul McNamara and Mr. Moran and the teachers of both schools for their assistance and cooperation.

Finally, I would like to thank the many private citizens who have given their time and energy to make the activities at the Center a success. It is only through the support and enthusiasm of all the citizens of Winchester that this can truly be a Center for the Community.

LIBRARIAN'S REPORT-1968

1968 has been a busy year. We have been able to achieve the last of our requirements in the New Hampshire Library Development System by being open more hours. We changed our days from Tuesdays, Thursdays, Saturday afternoons to Monday, Wednesday, Friday, 10-12 A.M., 2-5, 6-8 P.M. This now gives us a total of 21 hours. (These requirements are based on the population of towns.)

Mrs. Perry and I attended the 2-day meeting of the New Hampshire Library Association held at Bedford in May. We also have attended several of the book selection meetings at the Regional Office in Keene. As chairman of the District Advisory Council, I have attended the four meetings held this year. These were held in Keene, Marlboro, Peterboro, Newport.

Again this year, we received \$100 worth of reference books from State Aid Funds and also a gift of 50 Large Print Books were given us from the State Library from Title IV B Funds. Several new books were added to our Memory Shelf from individuals and organizations of the town.

One film program was presented to the elementary grades and story records were played to the first four grades at Christmas time.

My many thanks to those who have given books, magazines and historical items. With your patience and continued patronage, we will strive to serve Winchester with the highest possible standard of service.

Again, our new hours:

Monday, Wednesday, Friday—10-12 A.M., 2-5, 6-8 P.M.

WINCHESTER DISTRICT NURSING ASSOCIATION

Report of the President, January 22, 1969

Just as in Washington, the Winchester District Nursing Association, Inc. has a new administration. After two years as your president, it is with pride that I look back on the progress of the association in the last few years and welcome our new president, Mrs. Primo Marcucci.

Another year has gone by and with it a new year has started. This past year has seen a successful growth in the interest in our association and the further participation by our townspeople. Again we have been fortunate in having a nurse doing a good job and by her skill and kindness endearing herself to all.

Our books are in order, our bills paid and the many forms for the government have been filled out to enable us to participate in Medicare. We have again received a Federal Grant to pay part of the salary of our office secretary, thereby, assuring prompt reports to Medicare and the papers always required by the government.

At the beginning of the year we were fortunate to have some new members come into the council and again this year there will be some new faces with us. This is one of the best parts of our association as without new people willing to come forward to aid in our project, those of us who have been working for a while would soon feel not privileged, but possibly "put upon." In the past few years there has been a sharing of the duties and this always makes for a lighter load.

It is with pride that the members of the association look at the past year. Our Senior Citizens have been helped through Medicare to pay for some of their illness, there have been clinics that immunize the young in our town, there has been health supervision and counselling by our nurse who sees a need and then finds a way to meet the need, there has been an active council and cooperation by the town officials and townspeople.

All of this sounds like a busy and helpful year. And so it seems to me as I say that without the help of our nurse and her busy office secretary and the council and members of the association no one could be an outgoing president. She would be all worn out.

It is my wish to say thank you to my council members who have been on the other end of the phone when I called and have responded to the calls. Especially my thanks for your remembrances of my mother and your kindness to me when she passed away.

Now for the future. How fortunate we are to have a registered nurse to be our president for the next year. It will be a help to all of us to have her professional understanding of the problems. To her, I wish as much satisfaction in this association as I have had and I know that she will receive the same kindness, consideration and aid that it has been my privilege to receive.

My thanks to you all and to the incoming officers and council members: remember there is no greater joy than in serving others.

Respectfully submitted,

MARGARET M. NASH, President

Gentlemen:

Submitted herewith is our report of an examination and audit of the accounts and financial records of the Winchester School District for the fiscal year ended June 30, 1968. The Financial statements as listed are to be included as part of our report.

SCOPE OF AUDIT

Our examination and audit included the accounts and records of the School Board, the School District Treasurer, the School Lunch accounts, and the Thayer High School Activity Funds.

FINANCIAL STATEMENTS

1. Comparative Balance sheets as of June 30, 1967, and June 30, 1968, showing a decrease of \$14,738.99 in the Net Debt of the District.
2. Analysis of change in the Financial condition of the District with the factors causing the changes indicated.
3. Comparative Statement of Appropriations and Expenditures showing a net overdraft of appropriations in the amount of \$3,412.54.
4. Statement of Estimated and Actual revenues showing a net revenue surplus in the amount of \$1,767.73.
5. The Budget Summary indicates a Net Budget deficit of \$1,644.81.
6. Summary of Receipts, Expenditures, and Proof of Treasurer's Balance.
7. Summary of Long Term Notes outstanding.
8. Summary of School Lunch Accounts and Proof of Balance.
9. Summary of Thayer High School Activity Funds and Proof of Balance.

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the financial accounts and records of the Winchester School District, the School Lunch accounts, and the Thayer High School Activity Funds, for the fiscal year ended June 30, 1968, and have found them to be in very good order, and to the best of our knowledge and belief the attached financial statements reflect the condition of the District for the period under review.

THANKS

We extend our thanks and appreciation to the officials and personnel of the Winchester School District for their cooperation and assistance during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY

REPORT OF THE ELEMENTARY PRINCIPAL

To: the Superintendent of Schools
and the Winchester School Board:

I submit my first annual report.

Our enrollment this September at the Elementary School was at an all time high of 374. Since opening day incoming and outgoing students gave us a small further increase so that at year's end our census stood at 376. This increase of over 30 pupils since June of 1968 has given us several over-large classes particularly at Center School in grades 1 and 4. Physical plant limitations prevent any solution at this time. A dedicated staff is working with this crowded situation and hopefully an Elementary School expansion at Thayer soon will provide the solution. We are desperate for space.

Staff changes have been made as follows: Mr. Robert Colby, after serving as supervising-principal for two years, resigned his position to accept a similar position in Massachusetts. I was elected to take over his duties.

Our staff has undergone further changes: Mrs. Hazel Rubeor retired after many years of faithful service in our schools at Ashuelot. Her position as teacher of Grades 1 and 2 has been filled by Mrs. Susan R. Hall who had previously taught the Special Education class in the same building. The Special Education class is now taught by Mr. Henry A.L. Parkhurst who had previously taught special education classes but more recently grade 4 at Center School.

Mrs. Marjory E. Newell who had previously taught in Winchester Schools was elected to fill the vacancy in grade 4 at Center School. A new grade 4 was established in the elementary section at Thayer and Mrs. Sheila J. Fagan was elected to this position. Mrs. Fagan previously taught in New York state. Mr. David A. Swierk resigned his grade 5 position to teach nearer his home in Sullivan and was replaced by Mr. Guy B. Heath who teaches Science in grades 5 and 6.

Mrs. Delores Bohan, R.N. resigned in the spring of 1968 and Mrs. Staccia Marcucci, R.N. has been elected to this post. Stationed at Center School she cares for nearly 400 elementary pupils and over 300 secondary students.

Our reading program continues to be of major concern because of its direct relatedness to all other subjects. Coordinated by Mr. Richard G. Boutwell, Remedial Reading teacher, special help is being given in grades 2 through 6. He has also set up ungraded classes in reading in all five elementary rooms at Thayer. In grades 1 and 2 we are continuing a strong phonics program along with our basic Scott Foresman reading series.

To provide further help in reading, we have, through the help of VISTA and Miss Mary Johnson of Northfield School for Girls, set up a tutorial program Saturday mornings at Thayer. Tutors are Junior and Senior girls from Northfield and from Thayer who volunteer their time and give special help on a one-to-one basis for specially recommended pupils in grades 3, 4, and 5. Miss Jo Cherry of VISTA is giving much time to this joint effort.

Our hot lunch program is reaching two-thirds of our students. Because it is operated by Federal subsidy it naturally is a bargain when considered from the local angle of 30 cents a lunch including a bottle of milk.

American Education Week was observed in our three buildings during the week of November 11–16 with the theme “AMERICA HAS A GOOD THING GOING—ITS SCHOOLS”. Open house was held on the 14th at all three schools with approximately 200 parents visiting the elementary buildings, talking with teachers and examining their child’s progress.

We stated in a letter to parents that we need to maintain our strengths, overcome our weaknesses and keep parents informed of our efforts. Our teachers have had many conferences with parents and we intend to keep this vital communication link open.

Christmas assemblies were held at all three elementary schools with participation by all pupils. Those parents attending commented that the programs were especially good.

We have received much assistance from the Monadnock Service Center by way of special testing, speech therapy, and special counseling. New Hope Center in Keene is providing special training for five of our elementary children.

In conclusion, my thanks and those of the entire staff go to our School Board and Superintendents for their wise and sound counsel and leadership. We especially thank all our town officers, parents, and friends of the school who in many ways set the climate that makes possible good teacher-learning situations. A town moving ahead, proud of its citizens and its younger generation, is the goal we have in view.

Respectfully submitted,

ERNEST J. MORAN, Principal

REPORT OF THE HIGH SCHOOL PRINCIPAL

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1968-69 as of December 31, 1968 is as follows:

Grade 12.....	36	Grade 9.....	54
Grade 11.....	51	Grade 8.....	58
Grade 10.....	48	Grade 7.....	48

The changes in the faculty this year were as follows: Mr. Edward Potter, Norwich University replacing Mrs. Elsie Major in the Social Studies area; Mrs. Elizabeth Hall who replaced Mrs. Rhodes in the English area; Mrs. Katherine Norton who replaced Mrs. Judith Gilman in Home Economics; and Mrs. Nancy Stanley replacing Mr. Russell Allan in Guidance.

We are very pleased to have the aid of a new part-time secretary, Mrs. Walter Harrison, who assists in the Guidance and Principal's office.

The New England Association of Colleges and Secondary Schools Commission on Public Secondary Schools considered and accepted the two-year progress report on Thayer High School. The Commission recognizes that some progress has been made and recommends that the community increase the effort to improve the program offerings and the facilities. Hopefully, major curriculum work will be done to eliminate overlapping in certain areas of study and that serious consideration be given to the need for building alterations. The recommendations of the visiting committee warrant thoughtful consideration.

With our enrollment increasing each year and the space getting smaller, it is difficult to improve a great deal on our curriculum. However, we managed to introduce a new course of Sociology and would like to add several more. This seems to be impossible at the present time because more teachers will mean more rooms needed.

An improved curriculum as well as improved facilities are necessary to meet future minimum state standards. This means that the people of Winchester should decide on an adequate building program in the very near future.

As a matter of record, a summary of the 1968 Commencement and a list of graduates follows:

The Josiephine Mansfield Sprague Music Award was won by Maralyn Ryll.

The Class Marshal selected was Michael Turant.

Library

Since its beginning in September of 1963, our accessions records show that we have acquired 2006 books. All are carefully selected and recommended. Although the number does not yet meet state standards, we find students' needs are quite adequately met in both fiction and non-fiction areas.

The library is open for the full school day, but this would not be possible without the help of student librarians. To them go much credit and appreciation.

Guidance

Seventh and Eighth Grade group guidance classes have been concentrating this year on discussing their personal and social development.

Fifty plus percent of the guidance office's time is spent in individual counseling. A large part of the time is also spent in providing both educational and vocational information to the students. Placement of students after high school, both educationally and vocationally, also is a large part of the guidance office's efforts to better serve the students' needs.

The testing program to date has included:

Administration of the Eighth Grade Testing Program to 47 students in October.

Administration of the Sophomore Testing Program to 46 students in October.

Administration of the General Aptitude Test Battery through cooperation of New Hampshire Office of Employment Security.

National Merit Tests in February (student paid)

Preliminary Scholastic Aptitude Test in October to 9 students (student paid).

Scholastic Aptitude Tests to 7 students (student paid).

California Test of Personality to Seventh and Eighth Grades.

National Educational Development Test to Ninth and Tenth Grades (student paid)

Industrial Arts

This year has seen an increasing number of students enrolled in Industrial Arts over the past year.

The Junior High School program is continually being improved. A new unit in the area of small engines is being considered for the eighth grade classes in the spring. The Eight-B class is extremely large this year. This causes crowded conditions and wasted time which sometimes hampers our progress.

The Freshman Drafting Class has progressed rather well this year. The addition of technical drawing books has helped to strengthen the program.

The Sophomore machine woodworking program has met continuing success. The carpentry unit which was expanded last year will be incorporated during the second half of this year.

Many new safety devices were added to the shop. An enclosed welding booth was built in the shop at the end of the school year 1967-1968 and an exhaust fan was added to it this fall.

A used 10" South Bend machine lathe was purchased from Keene State College this fall. It will be incorporated in the Junior metals class and should prove to be of great value to students of Thayer High School.

It is my belief that the addition of the DeVry electricity trainers used by the Senior electricity-electronics class have already justified their purchase. A new electricity-electronics text book will be added to the program next fall.

The Industrial Arts Department hosted the successful annual Industrial Arts Fair of the Monadnock Region last spring. We plan to participate in this year's fair.

Intermediate Science Curriculum Study

This year 160 students are involved in the ISCS program. Grade seven is in its third year while grade eight is in its second year 1968-1969 is the initial year for grade nine trials.

At this time it appears that the “independent research” approach, made available by the project, has heightened interest and learning at all the academic levels involved.

Music

The Thayer Band which is comprised of approximately 46 students competed in the Brattleboro and Keene Fire Department parades, taking a second place in Brattleboro and a first place in Keene. They also played at Initiation, Halloween, Veterans’ Day and Memorial Day parades. Together with the 81 member Chorus successful concerts were given at Christmas and the Pops Concert in the spring.

Saturday morning classes are being held for instrumental lessons for elementary school pupils and this year a Junior Band has been formed which rehearses Thursday after school. An elementary chorus has been started for the first time which rehearses during school and there are now approximately 50 pupils taking lessons on various instruments.

Plans are being formulated for an exchange concert with Nantucket, Mass. If plans materialize, their band will come here in February and Thayer will go to Nantucket the latter part of May.

The record of cash on hand as of December 31, 1968 for the classes and clubs follows:

Class of '69	\$1,520.72
Class of '70	1,160.36
Class of '71	495.75
Class of '72	228.77
Class of '73	107.57
Class of '74	16.58
General Fund	563.91
Athletic Association	1,480.29
Music Fund	558.38
Student Council	204.30
Thayerian	135.95

At this time I want to give special thanks to the faculty for the fine work they have done despite all the problems they have faced working under crowded conditions. I also appreciate the help and cooperation of the Winchester School Board, Superintendent of Schools and Assistant Superintendent of Schools.

Respectfully submitted,
PAUL C. McNAMARA
Principal

SUPERINTENDENTS' REPORT

No effort will be made here to recount everything that has happened during the past year. By attempting to provide a brief and general resume of some highlights of the previous year, it is hoped that this will be of general interest, but if not, at least the reader's patience may not be unduly strained.

In the time since the last annual report, the energies of many people were expended in an exhaustive study of the problems facing our schools. These problems, together with recommendations for solution, were reported in detail to our citizens. The proposal, which called for two communities to join together to provide for their mutual school needs, did not meet with approval in both communities. This much is history. However, the problems which gave rise to the study in the first place, are still with us and we have now run out of alternatives. Therefore, you will be asked to authorize the School Board to engage the services of an architect to prepare plans for expanding our school facilities. The needs were thoroughly documented and presented to our citizens during the past year. All that is required now is the support of the community.

School budgets continue to climb. Increasing enrollments, teachers' salaries, and the general demand for better school programs are factors responsible for high school costs. We realize that this has not been easy on the taxpayer. We can only repeat what has been said many times before. The State should not continue to escape its responsibility for supporting public schools. Until this situation is remedied, local residents will be asked to continue their effort or else buy inferior education.

Numerous projects, put into effect during the past year, deserve attention. However, rather than attempting to enumerate them here, this will be left for more detailed explanation in the principals' reports. As for the future, there are several undertakings which ought to be considered. Another special class for older youngsters, kindergarten with transportation provided, psychological and speech services, elementary library services, and the development of a reading program at the secondary level. With present overcrowding, most of these programs must wait until additional space has been provided. Again, these programs call for further effort by our local citizens in order to do as well as we can for our young people.

Never before in the history of public education has the need for public understanding and support of the local school system been so necessary. Tax levies are going up, enrollments are increasing, curriculums are expanding, and greater demands are being placed at the doorstep of the local school system almost daily. Nowadays, there is a lot of faultfinding with our schools. Some of it is justified; much of it is uninformed. In any case, one constructive helper is worth a hundred critics, and it is help that the schools need; from parents and taxpayers, from board members, from teachers, and from the children themselves whom the schools are chiefly designed to serve.
